An Extract from The FireArms Act 1968 "Section 21". Please read this before signing the declaration. SECTION 21-Prohibits the possession of a firearm and ammunition (under any circumstances), by any person who has been convicted of a crime and sentenced to a term of imprisonment (or its equivalent for young people) of 3 months or more. The prohibition applies in all circumstances, including handling and firing at an approved shooting club or at a clay pigeon shoot where a certificate is not ordinarily required. It also applies to the possession or use of other categories of firearm and ammunition such as AIRGUNS or shot gun cartridges for which a certificate is not needed. A sentence of 3 months to 3 years attracts a 5-year prohibition, shorter ones no prohibition, but a longer one means a life ban.

I confirm that the above-named participant is not subject to the above restrictions.

I agree to my child taking part in the above mentioned. I understand that photographs may be taken for publicity purposes. I agree to the provision of medical treatment, including anaesthetic, as considered necessary by the medical authorities present. I understand the extent and limitations of the insurance cover provided.
