

**Fire Evacuation Plan for The Lodge, LSAC**

<b>Emergency Evacuation Plan for:</b>	The Lodge
Premises address and contact number	Leslie Sell Activity Centre Molivers Lane Bromham Bedfordshire MK43 8LD
Plan date	August 2024
Review date	August 2025

<b>Sound of the alarm</b>
The sound of the alarm will be: A continuous fire alarm throughout the building

<b>Raising the alarm</b>
In the event of a fire beginning
If the fire is discovered by a staff member or a visitor notifies a staff member of a fire, the alarm will be raised by: activation of the nearest call point, or commencing manual warning (ie. shout).

<b>Action staff should take on hearing the alarm</b>
The following actions will be taken upon the fire alarm being sounded/raised: (modify/delete as applicable to your site)
<ul style="list-style-type: none"> <li>• Leave the building by the nearest fire exit.</li> <li>• Assist anyone who needs help to leave.</li> <li>• Close all doors behind you.</li> <li>• Do not stop to collect personal belongings.</li> <li>• Report to the Assembly Point which is located by the telegraph pole on the main field.</li> <li>• Do not re-enter the building until authorised to do so.</li> <li>• Group Leader is to ensure that all group members are clear of the building by use of a fire register.</li> <li>• Group leader is to liaise with Fire Service in the first instance.</li> <li>• Inform the Site Manager of the incident on 07466402285.</li> </ul>

<b>Escape routes</b>
The escape routes from the building are: (detail designated fire escape routes)
<ol style="list-style-type: none"> <li>1. Main Hall – exit through any of the patio doors and onto the camping field.</li> <li>2. Boot room – exit through the main door.</li> <li>3. Bedrooms – exit through the corridor and out through either the patio doors, or the corridor side exit.</li> <li>4. Kitchen – exit out the kitchen door.</li> </ol>

<b>Fire assembly point</b>
The assembly point is: Adjacent to the telegraph pole on the main field.

<b>Fighting fires – Extinguisher use</b>
The Lodge utilises an automatic sprinkler system, so no fire extinguishers are available within the building. However, should groups bring their own when hiring the building, the following should be adhered to:
<ul style="list-style-type: none"> <li>• The individual feels confident and is competent in their use</li> <li>• Where it is deemed safe to do so i.e. there is a clear means of escape, fire is small</li> </ul>

---

**Personal safety always takes priority and, if in any doubt, individuals should not attempt to extinguish a fire**

**Location of key safety hazards or other fire related equipment**

- Gas supply shut off: boiler room
- Mains fuse box: boiler room
- Mains water inlet: boiler room
- Gas/oxygen cylinders: N/A
- Fire extinguishers: n/a (sprinkler system)

**Number of staff needed to carry out evacuation plan**

- To implement the evacuation plan, 2 adults needed on duty

**Equipment needed to action the emergency plan**

Mobile phone

**Back up arrangements**

In the event of our systems failing, verbal communications would be used (ie. shouting) to alert all individuals of the emergency.

**Responsibilities**

For ensuring plan is up to date	Site Manager
For ensuring adequate personnel are available to carry out the evacuation plan	Group Leader
For training staff on the evacuation plan and in their roles and responsibilities	Group Leader
