

Fire Evacuation Plan for Training Centre, LSAC

Emergency Evacuation Plan for:	Training Centre
Premises address and contact number	Leslie Sell Activity Centre Molivers Lane Bromham Bedfordshire MK43 8LD
Plan date	August 2024
Review date	August 2025

Sound of the alarm
The sound of the alarm will be: An series of air horn blasts

Raising the alarm
In the event of a fire beginning
If the fire is discovered by a staff member or a visitor notifies a staff member of a fire, the alarm will be raised by use of the air horn opposite the main entrance, or commencing manual warning, (shout)

Action staff should take on hearing the alarm
The following actions will be taken upon the fire alarm being sounded/raised: (modify/delete as applicable to your site)
<ul style="list-style-type: none"> • Leave the building by the nearest fire exit. • Assist anyone who needs help to leave. • Close all doors behind you. • Do not stop to collect personal belongings. • Report to the Assembly Point which is located adjacent to the bins at the main gate. • Do not re-enter the building until authorised to do so. • Group leader is to liaise with Fire Service in the first instance. • Inform the Site Manager of the incident on 07466402285.

Escape routes
The escape routes from the building are: (detail designated fire escape routes)
<ol style="list-style-type: none"> 1. Main hall – fire exits are located on opposing sides of the main hall, with exits taking you onto the car park and rear garden respectively. From here, individuals should make their way to the front of the building and to the fire assembly point, as detailed below. 2. Kitchen – exit through either the main entrance, meeting room fire exit, or main hall fire exits 3. Meeting room – exit through the meeting room fire exit.

Fire assembly point
The assembly point is: Adjacent to the bins, by the main gate to the car park.

Fighting fires – Extinguisher use
Fire extinguishers will only be used where:
<ul style="list-style-type: none"> • The individual feels confident and is competent in their use • Where it is deemed safe to do so i.e. there is a clear means of escape, fire is small <p>Personal safety always takes priority and, if in any doubt, individuals should not attempt to extinguish a fire</p>

Location of key safety hazards or other fire related equipment

- Gas supply shut off: Kitchen
- Mains fuse box: Electrical cupboard in Main Hall
